

WORKING STUDIO RENTAL SPACES

TENANT APPLICATION GUIDE

To be considered as a tenant for one of our Working Studio Rental Spaces, please submit an email that includes the following:

Your Information:

- Full Name
- Preferred Pronouns
- Email Address
- Mailing Address
- Phone Number

Current Focus in Ceramics:

Please share a brief statement about what you're currently making, how your ceramic practice is developing, and how you're engaging with the market. Let us know if you are actively selling your work, where or how you sell, and what aspects of your business you hope to grow or refine while working in our studios.

Artist Statement:

Provide a short written statement that reflects your artistic vision, influences, and creative approach.

Portfolio Images:

Include several recent photos of your work that best represent your skills, style, and current engagement with clay.

Website and/or Social Media Links:

Share links where we can view more of your work or follow your creative journey.

Statement of Goals for Studio Space:

Tell us how having a Working Studio at The Village Potters Clay Center will support your artistic growth, professional practice, or community engagement.

Hurricane Helene Displacement:

If applicable, please note if you were displaced from your studio or workspace as a result of the Hurricane Helene flooding. We take this into consideration as part of our commitment to supporting local artists impacted by the disaster.

Once all application materials are submitted, our team will review your information, assess studio availability, and contact you regarding next steps. We appreciate your interest in joining our vibrant, supportive community of ceramic artists.
